

**Candy cane:** pipe large red and white dots then drag cocktail stick around very edge of them. Add small red & white dots as background decoration

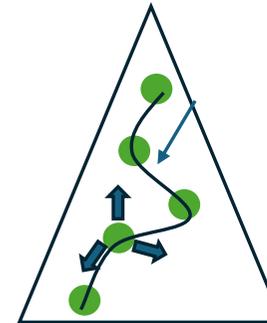

**Snowflake:** pipe this design, drag cocktail stick out from centre 6 times through the short double lines, then drag into centre 6 times through the dots

**Wreath:** pipe small green lines, then drag cocktail stick full circle through them. Add small red dots

**Holly:** pipe large green dots, drag each out slightly 3 times, then drag cocktail stick through the line of green dots. Add small red dots

For fine lines, use a PME Supatube 1.5 Writer

**Tree:** pipe four oblongs, then drag cocktail stick up through them left, right and centre. Add small red dots

**Tree:** pipe four oblongs, then four more inside them in a second colour, and drag cocktail stick up through them left, right and centre
